

OVM Financial is adding to our Marketing Team, and need a Video Specialist! This person will be responsible for the entire process - concept to completion - of new video content created for [www.ovmfinancial.com](http://www.ovmfinancial.com).

All video content will share two common goals:

- 1) Provide the most meaningful home loan information in the simplest way possible
- 2) Position OVM as the best option for a client to use to finance their next home

While there may be some support from other team members in specific areas, the Video Specialist will need to operate as a jack of all trades in the video world. This will include:

- Determining and prioritizing video topics
- Writing scripts
- Setting up shots (in studio or in the wild)
- Operating camera / lights / audio
- Advise on equipment needed for professional production quality
- Locating and directing on camera talent
- Running the shoot / directing talent and other team members
- Editing / post-production
- Quality control on all components / set a high bar for final the product
- Understand the best option(s) for hosting video online
- Understand how to create strategic calls-to-action, and build our brand through video

**Benefits:**

- Health, Dental, and Vision insurance coverage
- 401K
- Paid vacation and sick leave

**About OVM Financial**

From our visionary opening in 2001, OVM Financial has taken what the mortgage industry has typically done and flipped it upside down - offering our customers, employees, and partners an experience like none other. Our core values of honesty, accountability, and integrity define who we are.

OVM Financial is an independently owned and operated retail mortgage lender serving VA, NC, SC, GA, TN, MD, FL, CO, and TX. We have several branches and satellite office locations with the bulk of our operations team located at our corporate headquarters in Chesapeake, VA. For four years running, we have been recognized by Inc. 5000 as one of America's fastest-growing private companies.

Job Type: Full-time
